## Utilities

- Southern California Edison has representatives in the EOC.
- Power lines are reported down across Highway 178, just east of Mountain Mesa. CUEA is reporting that approximately 1,200 (1,800 restored) customers are without power. Service restoration cannot be estimated due to the current fire conditions and lack of access, but crews are starting to gain access to some affected areas. Actions are underway to have supplies and personnel on standby.
- Additional repair crews and materials have been moved to make repairs.
- Electrical services will be restored with priority given to key facilities such as: police, fire and hospitals pending clearance from the fire authority to do so.
- There are communities that lack power and are on well water, therefore do not have running water. Generators have been requested. Bottle water was delivered to many of these communities.
- Southern California Edison has representatives in the EOC.

## Recovery

- Assuming conditions permit, Kern County Fire Department (KCFD) and the Incident Team will continue to conduct initial damage assessment (windshield survey) to obtain a more accurate estimate of the number of structures destroyed by the fire.
- CALFIRE Initial Damage Estimate (IDE) teams deployed on Sunday 06/26/16
